

Andy's Scuba Diving

Accommodation recommendations

Here at Andy's Scuba Diving we recommend our area of Rawai / Nai Harn and also nearby Yanui. This area is laid-back and friendly with beautiful beaches and no high-rises. We also have an excellent choice of great restaurants, bars and nice boutique-style shops, as well as a couple of night clubs. The following are all good places but our personal favourite for its stunning location, fabulous food and excellent price is Friendship Beach Resort. Navatara, Rawai Palm Beach, The Title, Thai Palace and Sandy House are all on or within a few mins walk from Rawai seafront which has a great choice of local restaurants and bars.
