SOUTHERN MYANMAR (BURMA) & PHUKET, THAILAND

10 NIGHTS ITINERARY

LAMIMA

MERGUI ARCHIPELAGO & THAILAND

COMBINE THE WONDERFULLY REMOTE ISLANDS OF MYANMAR'S MERGUI ARCHIPELAGO WITH SOME OF THAILAND'S BEST KEPT SECRET ISLANDS FOR THE ULTIMATE SAILING EXPERIENCE.

With over 800 islands to choose from, the Mergui Archipelago offers visitors lush tropical rainforests to explore, colourful coral reefs to discover and pristine beaches for sunbathing and long, lazy picnic lunches. Perhaps best of all, thanks to the archipelago's remote location off southern Myanmar, all these things can be enjoyed with no-one else in sight.

To the south, Thailand's Surin Islands and Similan Islands can be easily combined with a sailing around the Mergui Archipelago. A world away from Phuket's busy beaches, both island groups are designated national parks and renowned for their natural beauty and rich marine life.
